It’s an honor to have you here as our guest. I would like to take this opportunity to thank you for choosing Desert Oasis by Welk Resorts as the setting for your treasured vacation moments.

This spring, we are excited to welcome you to our new Virtual Reality experience, the Prohibition Escape Room and a fun poolside Ultimate Margarita Making class. There is so much beauty to explore in the desert, and when you need a day to relax, we’ve got you covered with an upgraded poolside cabana experience. We’d love to see you over at the Palm Terrace Café for our daily happy hour festivities from 2–4pm, and don’t forget to stop by our new Coachella Market in the lobby for all your vacation needs.

While you’re here, if there is anything we can do to make your vacation more enjoyable, please do not hesitate to call us at extension “O” from your villa phone. It’s truly an honor to have you here, thank you for joining us, and let the fun begin!

OPERATING THE REMOTE CONTROLS

You should find three remotes in your room — cable (labeled by the provider, “Spectrum”), DVD, and TV.

To watch cable: Optimally, press “Power” on the cable remote. If that does not work, follow these instructions:

1. Using the TV remote, press and hold “Input” until you see HDMI 1 or HDMI 2.
2. Highlight either of the HDMI channels and press “Select” (the large middle compass button). This should start your cable TV.
3. This should get you back to cable. You can now put the other remotes further away to eliminate confusion.

To watch a DVD:

1. Turn on the DVD player.
2. Using the TV remote, press and hold “Input” until you see “Comp/AV.”
3. Highlight “Comp/AV” and press “Select” (the large middle compass button). This should bring you to the DVD start page.
4. To go back to watching cable, simply follow the first set of instructions.
